Declaration of consent for keeping record of applicant data

Dear [Applicant],

Under the EU GDPR (EU General Data Protection Regulation), personal data must be deleted once the purpose of processing it has been fulfilled. This purpose is fulfilled as soon as the specified vacancy is filled or cancelled.

However, your approval is required for continued record keeping of your applicant data.

You have the right to correct or delete your data, restrict the use of your data, and to object to the use of your data. Please contact us for that.

By signing this document, you agree that a record of your applicant data will be kept and it can be stored till you revoke your consent.

You can have a copy of this document on request.
